

# Sportneer Folding Chair User Manual

## Cautions

1. Do not put forcible effort in assembly and disassembly to cause irreversible damage.
2. Place the folding chair on a sturdy, flat ground to avoid tumbling.
3. Be careful of the elastic rope inside the bar to prevent personal injuries.
4. Do not exceed the bear load(350lbs).
5. Please contact the Sportneer customer service team for help if anything occurs or you are doubting in the assembly.

## Assemble the Folding Chair

- ① Open the zipper bag, and take the metal frame and chair fabric out from the bag.

- ② First assemble the 4 bottom legs (the orange bars). Insert these orange bars into the 3-way elbow fittings.

- ③ Assemble the upper frame by inserting the black bars into the elbow fittings.

- ④ Mount the zipper bag on the upper frame (shown as picture).

- ⑤ Mount the chair fabric and pay attention to face the side with Sportneer outward.

- ⑥ Fasten the 4 corners of fabric on the end of upper frame. It's done!

**Note:**  
If you buy the style of Sportneer HEIGHT ADJUSTABLE folding camping chair, you can adjust the height according to your preference.

## Disassemble the Folding Chair

- ① Dismount the fabric from upper frame and pull out the black bars. Pull out the orange legs and fold them down (leave the axis bar unplugged).

- ② Store the aluminum bars and chair fabric in the zipper bag.
